A Call to Service in the Master's Field - Ellen G White

We are to work as we have never worked before. We are to seek every opportunity of drawing souls to Christ. The Lord is coming very soon, and we are entering into scenes of calamity. Satanic agencies, though unseen, are working to destroy human life. If our life is hid with Christ in God, we shall see of His grace and salvation. Christ is coming to establish His kingdom in the earth. Let our tongues be sanctified, and used to glorify Him. As a people we need to be reconverted, and our lives sanctified to declare the truth as it is in Jesus.

As we engage in the work of distributing our publications, we can, from warm and throbbing hearts, speak of a Saviour's love. God alone has the power to forgive sins. If we do not deliver this message to the unconverted, our neglect may prove their ruin. Blessed, soul-saving, Bible truths are to be published in our papers. The Lord calls upon all of us to seek to save perishing souls.

We do not realize how cunningly Satan is at work to deceive, if possible, the very elect. Now is our time to work with vigilance. Our books and papers are to be brought before the notice of the people; the gospel of present truth is to be given to our cities without delay. We need to arouse to our duties. If we are making the life and teachings of Christ our study, every passing event will furnish a text for an impressive lesson. It was thus the Saviour preached the gospel in the highways and byways; and, as He preached, the little group that listened to His words would swell into a great company.

"Be instant in season, out of season." We are to make opportunities for presenting the truth. Christians are to be workers together with Christ. They are to engage in many lines of evangelistic work.

After His resurrection, Jesus spake to His disciples, saying, "All power is given unto Me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost; teaching them to observe all things whatsoever I have commanded you; and, lo, I am with you alway, even unto the end of the world."

Harvest-Bible Verses

All verses are from the ESV Bible

Matthew 9:35-38

The Harvest Is Plentiful, the Laborers Few

35 And Jesus went throughout all the cities and villages, teaching in their synagogues and proclaiming the gospel of the kingdom and healing every disease and every affliction. 36 When he saw the crowds, he had compassion for them, because they were harassed and helpless, like sheep without a shepherd. 37 Then he said to his disciples, "The harvest is plentiful, but the laborers are few; 38 therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."

Luke 10:2

2 And he said to them, "The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest.

Job 5:5

The hungry eat his harvest, and he takes it even out of thorns, and the thirsty pant after his wealth.

2 Corinthians 9:10

He who supplies seed to the sower and bread for food will supply and multiply your seed for sowing and increase the harvest of your righteousness.

Mark 4:26-29

And he said, "The kingdom of God is as if a man should scatter seed on the ground. He sleeps and rises night and day, and the seed sprouts and grows; he knows not how. The earth produces by itself, first the blade, then the ear, then the full grain in the ear. But when the grain is ripe, at once he puts in the sickle, because the harvest has come."

Genesis 8:22

While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease."

Mark 4:26-29

And he said, "The kingdom of God is as if a man should scatter seed on the ground. He sleeps and rises night and day, and the seed sprouts and grows; he knows not how. The earth produces by itself, first the blade, then the ear, then the full grain in the ear. But when the grain is ripe, at once he puts in the sickle, because the harvest has come."

Adventist Pioneers

J.N. Andrews July 22, 1829 - October 21, 1883

Convinced in early youth that Jesus was returning soon, J.N. Andrews at the age of 17 embraced the seventh-day Sabbath and thereafter devoted his entire time and talents to the Seventh-day Adventist movement.

Andrews is best remembered as the first official Seventh-day Adventist missionary to work outside North America. This sculpture by Alan Collins depicts the dauntless Andrews family, pausing dockside in Boston, September 15, 1874, preparatory to sailing on the Cunard steamship Atlas, ready to depart for Liverpool on the way to Switzerland. Andrews, still grieving the death of his wife Angeline two years earlier, departed as a 45-year-old single parent, accompanied by Charles, 16, and Mary, 12. The children proved to be extraordinary young pioneers, editing, translating, setting type, helping tirelessly to establish the international missionary journal, Les Signes des Temps (The Signs of the Times).

The foremost intellectual in the early Adventist movement, Andrews made significant contributions to the development of several doctrines, notably the Sabbath, tithing, sleep of the dead, church organization, and the noncombatant status of military draftees. He also served as the third president of the General Conference of Seventh-day Adventists (1867-1869). His example set in motion a tide of other missionaries, his History of the Sabbath persuaded thousands, and his journal gave birth to congregations on three continents.

It was to memorialize his commitment to scholarship and to the worldwide mission of the Seventh-day Adventist church that, in 1960, the Trustees chose the name Andrews University.

This little family's commitment challenges people of all ages, gender and position to lead lives of wholehearted service to church, community and the world.

Healthy Hearts celebrated its one year anniversary on 9/10/2018. It is crazy how time flies when you get to work out together as a group! We have all enjoyed encouraging one another and are always guaranteed a good laugh or two before leaving. I want to invite those that have been hesitant to come and join our exercise group! I guarantee you will break a sweat and always will be moving, but have a great time doing it! Join our fun on Monday nights at 7:00 pm down in the fellowship hall! Let's set a goal together of how much weight we are going to lose together during year two!:)

The Altar Project October 12- November 10

The Altar Project

Something special happens when your family or a small group of friends regularly come together for family worship and prayer. It's a relational bonding experience between our Creator God and our family. Maybe you are well-acquainted with family worship time, or maybe you would like to start this experience!

You are invited to join "The Altar Project" from October 12 sunset to November 10 sunset. Families (including singles) throughout Washington Conference are called to engage in 30-days of prayer to re-prioritize the pursuit of God in our homes, schools, and churches. Experience spiritual revival through the restoration of family worship, and see how it alters your spiritual growth!

Alter your altar this October 12 to November 10!

OUR GOD HAS MADE ...

Can you fill in the missing words in the puzzle below using the Bible verses listed at the side?

OSHUA CROSSES THE JORDAN Help Joshua and the Priests cross the Jordan River

Recipe Corner

Gluten Free Vegan Apple Tart (Crust)

Crust:

¾ cup almond meal

1/4 cup + 2 tbsp rice or sorghum flour

14 cup tapioca flour

2 tbsp arrowroot flour

2 tbsp unrefined coconut sugar

1 tsp xanthan gum

1/4 tsp sea salt

6 tbsp organic extra-virgin coconut oil kept at room temperature, so it's easy to measure, but not melted, see intro notes

3 ½ - 4 tbsp icy-cold Almond Milk or non-dairy milk add ice cubes to milk

Instructions

In a food processor, add the almond meal, rice flour, tapioca flour, arrowroot flour, sugar, salt, and xanthan gum. Process for a few seconds to incorporate these ingredients. Add coconut oil, and pulse through briefly to begin to break up and incorporate. Then, add milk, a few tablespoons at first (for double crust; one tbsp at a time for single), pulsing through, and then one tablespoon at a time after that, pulsing through until the dough has just come together and has started to form a ball (doesn't have to be one unified ball, just until some of the dough has started to come together).

Remove dough from processor and shape into a ball. For the double-crust, divide the dough in two (you can weigh each half if you like for precision, but it's not necessary). If the dough has become warm, shape into a flattened disc, wrap in plastic wrap, and refrigerate for about 20-30 minutes. (You can also refrigerate this dough for a few days before using, and remove from fridge for an hour or two before rolling, long enough for the coconut oil to soften again in the dough).

When ready to use, place flattened disc between two sheets of parchment (for easiest rolling). Roll the dough out to about 2- 2 1/2" larger than your pie plate (see note). Place bottom crust in greased (see note) pie plate.

Place crust in freezer for 15-20 minutes while preparing filling

Recipe Corner

Gluten Free Vegan Apple Tart (Filling)

Filling:

4 apples (I prefer Honey Crisp for this recipe)
1/2 cup unrefine Coconut Sugar
4 tablespoons (1/2 stick) cold Earth Balance Sticks, small diced
1/2 cup apricot jelly or warm sieved apricot jam
2 tablespoon water

Preheat oven to 400 degrees

Peel the apples and cut them in half through the stem.
Remove the stems and cores with a sharp knife and a melon baller.
Slice the apples crosswise in 1/4-inch thick slices.

Place overlapping slices of apples diagonally down the middle of the tart and continue making diagonal rows on both sides of the first row until the pastry is covered with apple slices. Sprinkle with the full 1/2 cup of coconut sugar and dot with the Earth Balance

Bake for 45 minutes to 1 hour, until the pastry is browned and the edges of the apples start to brown. Rotate the pan once during cooking. If the pastry puffs up in one area, cut a little slit with a knife to let the air out. Don't worry! The apple juices will burn in the pan but the tart will be fine! When the tart's done, heat the apricot jelly together with the water and brush the apples and the pastry completely with the jelly mixture. Loosen the tart with a metal spatula so it doesn't stick to the paper.

Allow to cool and serve warm or at room temperature.

Note: I have also made this with peaches. It took about 5 peaches but all other ingredients were the same. Quite tasty!
